2018

Communication University of China (CUC) is one of China's major universities of "Project 211", directly under the supervision of the State Ministry of Education. Located in the east part of Beijing, CUC occupies 463,600 square meters.

With a 60-year-history, CUC has made such a great contribution to the national business of radio and television that it has gained the fames --- "a cradle of China's radio and television talents". As the discipline evaluation results of 2012 State Ministry of Education showed that the subject Journalism & Communication and Drama Film & Television of CUC ranked the first, and Art Theory and Designing ranked top 10.

So far, there have been 6 faculties, 1 Center of Cooperative Innovation, 5 institutes directly under the university. Now, there are nearly 15,000 full-time students in the CUC, including over 9,000 undergraduates, more than 4,000 candidates for doctor and master degrees, and nearly 10,000 students in programs of continuing education.

CUC has established cooperative relationships with over 200 universities, research institutes, and media institutions in different countries and regions.

01

Application Requirements

Applicants should be non-Chinese citizens with valid passport or 4 years or above verification of nationality, and with over 2 years living aboard records (9 months in a year living aboard can be considered as 1 year which is subject to the entry & exit stamp) in recent 4 years (before April 30th of every academic year), between 18 and 35 years of age, with high school diploma or higher academic degree certificate, and good academic record. Communication University of China warmly welcomes international students who respect Chinese customs, and obey Chinese laws and University regulations. Applicants for majors in science should demonstrate a certain level of knowledge in mathematics and physics.

02

The introduction of undergraduate project

Classes	Duration of study	Requirements	Examination
Undergraduate students	Four years	No requirement	Entrance examination(interview)
Transferred undergraduate students	Two years	The New HSK level-4 (or higher level) Certificate Or the same as New HSK Level-4 & up	Entrance examination (paper test and interview)

Introduction:

- The duration is four years for the undergraduate students. If you cannot finish on time, you can apply for an extension (up to two years) and pay extra money.
- The duration is two years for the Transferred undergraduate students. You have to study here at least two years. If you cannot finish on time, you can apply for an extension and pay extra money.
- Transferred students who entered in the middle of the term must take mid-term assessment which is the HSK (level 5) after one year study. If the grade was qualified, then one could continue to pursue further education; if not which means the test scores less than 180 points, then one should retake the first year curriculum, and also should pay extra tuition fees.
- If you finish your study and pass the New HSK-6 examination, the bachelor degree of will be granted.

03
